Entered into by and between  
**THE INDOOR CLIMBING CENTRE CC**  
Registration No. 2002 / 060110 / 23  
(Hereinafter referred to as the "Centre ") And

\_\_\_\_\_  
(Hereinafter referred to as the "Climber")

**Whereas**

The Centre and the Climber have entered into an agreement in terms whereof the Centre has allowed the Climber to make use of its climbing facilities on the terms and conditions as set forth in this agreement, which the parties desire to be recorded in writing.

The Climber understands that participation in the sport of rock climbing and the use of an indoor climbing wall includes certain dangers and risks, some of which include:

- injury sustained in a fall and hitting the wall, projections (permanent or temporary in place), or the floor (including any object or objects resting on the floor)
- injuries resulting from rope management error and normal rope activity on the premises (including abrasion, entanglement, belaying, rappelling and lowering, and rescue scenarios)
- injury due to falling climbers or objects
- cuts and abrasions resulting from bodily contact with the climbing wall
- failure of harnesses, ropes, slings, carabiners or any other hardware or part of the climbing systems and structures

The Climber further acknowledges that the previous list is not inclusive of all possible risks associated with the use of the indoor climbing facility, and that the previous list in no way limits that extent or reach of this Disclaimer.

The ability of the Climber to climb in the Centre gives no indication of his/her ability to climb on natural rock in the outdoor environment.

**THEREFORE IT IS AGREED UPON AS FOLLOWS:**

**1. WAIVER**

The Climber acknowledges that the activity in which he/she participates by its very nature carries inherent risks which could cause him/her to sustain bodily injury and/or suffer damages and waives any claim so arising against the Centre or its members, employees or any third party.

**2. DISCLAIMER**

The Climber makes use of the Centre's facilities at entirely his/her own risk and agrees that the Centre will not be held liable and/or responsible for any loss, injury, damages, death, and/or compensation of whatsoever nature and howsoever arising as a result thereof, irrespective of whether negligence or gross negligence exists on the part of the Centre or any member, employee or third party, whether gross or otherwise, and the Climber does hereby waive any claim it may have against the Centre as a result thereof.

**3. MEDICAL FITNESS**

The Climber hereby warrants that he/she is medically fit so as to participate in activities of this nature, it not being the responsibility of the Centre to have the Climber undergo any medical examination, the onus being on the Climber to do so. The Centre shall not be obliged to call upon the Climber to provide a medical certificate. The Centre, its members or employees, shall not be liable for any claim or injury or loss or damages arising from or in connection with the agreement.

**4. GENERAL**

The clause headings to this agreement are for information purposes only and play no part in the interpretation of the context. Reference to the masculine gender shall include the female gender and vice versa.
